

## Before you choose Medicare coverage

Use these sections to list your current healthcare needs. Then, when you speak with a licensed insurance agent, you can compare plans based on what you value most.

## Your doctors and providers

Doctor	Specialty	Facility Information	Notes
e.g. John Smith, MD	Primary Care	Care Associates 123 Main St., Anytown, US Phone: 555.555.5555	

## Prescription drugs you're taking now

Rx Generic Name (Brand Name)	Dosage and Instructions	Month Supply	Pharmacy	Estimated Cost			
e.g. Metformin tablets (Glucovance)	500 mg, one pill 2x daily	30-day/60-day/90-day?	CVS	\$5.00			
Please list any other supplemental benefits you would like to discuss.							

We do not offer every plan available in your area. Currently we represent [XXXXXX] organizations which offer [XXXXXXX] products in your area. Please contact Medicare.gov, 1-800-MEDICARE, or your local State Health Insurance Program (SHIP) to get information on all of your options.
